RECRUITMENT CAMPAIGN FOR NEW PLANTS IN JEDDAH

For the start up phase of the two plants in Jeddah, and in order to go in line with our Saudization strategy, A substantial number of Saudi employees were hired. Due to product nature, and the non availability of some job skills locally, corporate HR and GRP/PE technical team under the leadership of Mr. Abdulrahman Al-Rubaiyem deputed to India & Philippines. The other accompanied members of this team were Mr. Assiam Al-Hakim, Mr. Ahmed Aladul Al-Hadi & Mr. Ahmed Al-Arif.

Several candidates for the required positions in the two upcoming plants for GRP & PE in the Western Province were interviewed by the team at

Bombay & Manila. After screening with the expertise of their experience quality workers were selected for both the upcoming projects.

The team appreciated the efforts of Mr. Yusuf Patni, Vice President of Yusho Corporation and their staff members in Bombay for excellent arrangements in providing the skilled and best quality of manpower from India. Also, IPMS in Manila, Philippines under Mr. Hernandez extend their full cooperation to procure the quality of Manpower.

YUSHO MANAGEMENT

YUSHO MANAGEMENT

Yusho Corporation's workforce solution is a highly professional team of experienced staff specialising in workforce mobilisation across various industries.

At Yusho Corporation, our dedicated recruitment team works tirelessly to meet the unique requirements of every client. Led by a competent management team, our employees possess an exceptional level of experience and skill sets that redefine the standards of resourcing. This team of professionals is undeniably our most valuable asset, playing a pivotal role in our organisation's success. Mr Yusuf Patni, the Founding Partner and Vice President, provides overall strategic direction and guidance to the organisation, heading all projects.

Our panel of experienced personnel includes recruitment professionals, HR experts, industry veterans, and seasoned interviewers. They are adept at executing recruitment processes that align with the employer's interests. We strongly believe in the power of teamwork, personal networking, and effective communication as the key factors for achieving the highest quality of work and on-time deliveries.

With extensive experience in dispatching approximately 78,000+ workers for employment and visit visas globally, our team utilises robust technology and electronic processes to screen, source, and shortlist CVs. Our utmost priority lies in ensuring the quality of the workforce selected for projects, as we consider service quality to be our topmost commitment.

Our team is structured into several key departments, each with a specific focus:

Technical Consultants: These individuals possess a unique combination of strong technical skills to analyse, pre-screen, and prepare a suitable pool of potential applicants for the projects. They help businesses improve their operational efficiency.

Sourcing Department: This department is responsible for recruiting and bringing together HR professionals to foster collective action aimed at enhancing overall performance.

Visa Processing Department: This department meticulously checks backgrounds and efficiently processes visa applications, ensuring that they are completed and dispatched within the given deadline.

Immigration Department: Tasked with handling matters related to immigration laws, this department ensures compliance with government regulations is strictly followed as per the company's policy.

Mobilization Department: This department ensures that PTAs are raised on time, with strong follow-ups with the applicants for a timely departure.
